This 4.62-acre neighborhood park is located within the Sandee Palisades Subdivision. It is bordered by residential development on three sides. Access to the park is off 26th Avenue and from a walkway that accesses the site through the immediate neighborhood.

The park was dedicated to the city by the developers of Sandee Palisades Subdivision in February 1981 to be operated and maintained by the City and for use by the general public. Facilities include a paved pedestrian pathway, softball field, open play area, picnic tables and a children's playground.

In summer 2022, the City will be replacing the old playground equipment with [a brand new play](#)
