

First Friday Vendors

Troutdale's First Friday Art Walk & Summer Street Fair is fun for the whole family and showcases the West Gorge's vibrant art scene. The summer street fair expands the event in Historic Columbia River Highway, with over 60 vendors, sidewalk dining, local beers, live music at Mayors Square, a Kid Zone, and much more!

Visit our [registration site](#) to apply! See below to learn more about the registration process and to see the vendor guidelines. When you do apply, just click "add to waitlist" individually for each date you wish to attend. Everyone is added to the waitlist so we can review the applications before charging fees. **Be sure to click the orange checkout button to complete your application.** Creating an account is not the same as placing yourself on the waitlist for the event. If you do not receive an email from Community Pass saying you've been added to the waitlist, we have not received your application.

First Friday Art Walks will take place on June 7, July 5, August 2, and September 6. Each event runs from 5:00 - 8:00 p.m., with an hour before and after the events dedicated to set up and tear down. Once we receive your application, we will send you more information about the event – including logistical assistance, promotional materials, and more.

How to Apply for a Vendor Booth

To apply, [log in to your Community Pass account](#) (or create an account) and select “Click Here to Register” which will then prompt you to select a catalog. You will want to select the Tourism & Economic Development catalog. It will then ask you to verify your account information. If all is correct, select continue. At this point, you will see the catalog and you’re able to select “First Friday Art Walk” and learn more about the event. At the bottom are each of the event dates. Please click “Add to Waitlist” for each date you’d like to sign up for. It will ask you to select the person that you’re signing up for the event. If you have multiple people listed in your family, please only select yourself unless you’re trying to apply for multiple booths. For every person you select we receive another application.

Everyone is automatically waitlisted in order to review the applications before charging fees. Once you’ve selected all the dates, scroll to the top of the page and select the orange “Checkout” button. This will bring you to a registration form, which you will need to fill out so that we know more about what you’re hoping to sell at the event. If you do not have a website or social media account, you will need to email photos of your products to [cityevents \[at\] troutdaleoregon.gov](mailto:cityevents@troutdaleoregon.gov). After selecting continue, you will be taken to a policies and agreements page which you must review and sign. The policies contained are a liability release, photo release, and cancellation policy acknowledgement. Once you select continue on this page you will be taken to a review and complete transaction page. **Fees are not assessed until you are released from the waitlist, at which point it is \$25 per event.** By selecting “Complete Transaction” you will have completed your application to the event(s).

Applications will be reviewed on a first come, first served basis. We will contact you by May 3 if you have been selected to be a vendor for the event(s). If applying past May 3, we will contact you within 2 weeks of submitting your application. If you are released from the waitlist, you will receive an email from Community Pass to complete your registration and pay the fee. Booth locations will also be assigned in a first come, first served basis, filling from west to east.
