

Lead a Program Though Troutdale Recreation

Want to be a part of the future of Recreation in Troutdale? The Troutdale Recreation Department invites members of the public to share their passion and expertise by proposing new recreational programs that they would like to lead.

We believe that our community holds a wealth of talent and diverse interests, and we want to harness that energy to create engaging activities for residents of all ages. Whether you're an avid yoga enthusiast, a skilled artist or artisan, a sports aficionado, or have any other unique talents you'd like to share, we encourage you to step forward.

Your ideas can help us enrich our city's recreational offerings and provide opportunities for everyone to learn, grow, and have fun. Let's come together to make our city an even more vibrant and dynamic place to live.

Please fill out our [Class Development Form](#) with your program proposal and [mollie.king \[at\] troutdaleoregon.gov](mailto:mollie.king@troutdaleoregon.gov) (**return it to our recreation manager**).
