

Parks Use Permit (Athletic Fields/Parks)

Athletic fields that are subject to use fees include the Softball fields and Soccer fields. User groups are responsible for supplying any and all needed field markings, goals, corner flags and other equipment. The City of Troutdale’s Recreation Division has first priority for field use if reserved on or before March 1st of each year, except for activities covered by preexisting use agreements. After March 1st , fields are available to groups or individuals on a first-come, first served basis. Please contact the Reservation line at 503-674-7297 to find out if the park is available to reserve on the date you would like and for instructions on completing the reservation process.

This form may also be used for Community Events that are to take place in a Park, but may also require a Special Event Permit. This form is available through the Permit Desk. Please Contact the Permit Specialist at: 503-674-7236 for further information.
