Coming to downtown Troutdale this summer is a farmers market featuring live music every Tuesday evening in July and August! Music at the Market will feature booths run by local farms selling their seasonal produce as well as live music on the stage at Mayors Square.

Market Vendors

The lineup is ever-changing but has included artisanal items such as jams, honey, wine, and jerky. We hope to add more fresh fruit and produce as the market grows. If you are interested in being a vendor at Music at the Market, you can [learn about our application process](#).
